

## ENSE 470, Software Systems Design (Winter 2018)

### Acceptance test-driven development (ATDD) template

Team name:

Team members:

Instructions. Use 1 box for each user story in your MVP-Release 1. Add and expand table rows as needed.

<b>User focus: Software Approver</b>		
<b>User story theme: Review Tickets</b>		
As a software approver I would like to search the list of tickets		
<b>Acceptance test-driven development criteria (ATDD) (positive/negative)</b>	<b>Failed</b>	<b>Passed</b>
Given I am logged in and have authority to view tickets When I search for a software ticket Then the list of tickets should be filtered and show those matching the search	*	

<b>User focus: Software Approver</b>		
<b>User story theme: Review Tickets</b>		
As a software approver I would like to view all open tickets		
<b>Acceptance test-driven development criteria (ATDD) (positive/negative)</b>	<b>Failed</b>	<b>Passed</b>
Given I am logged in and have authority to view tickets When I click the pending tickets page I should see all open tickets pending my approval	*	

<b>User focus: Software Approver</b>		
<b>User story theme: Approve Tickets</b>		
As a software approver I would like to mark tickets as approved		
<b>Acceptance test-driven development criteria (ATDD) (positive/negative)</b>	<b>Failed</b>	<b>Passed</b>
Given I am logged in and have authority to approve tickets When I click approve ticket The ticket should be updated as approved and be sent on to the appropriate analyst	*	

<b>User focus: Software Approver</b>		
<b>User story theme: Approve Tickets</b>		
As a software approver I would like to mark tickets as denied		
<b>Acceptance test-driven development criteria (ATDD) (positive/negative)</b>	<b>Failed</b>	<b>Passed</b>

Given I am reviewing a pending software request ticket When I click deny ticket The ticket should be marked as denied and not go to an analyst	*	
--	---	--

**User focus: Software Approver**

**User story theme: List Tickets**

As a software approver I would like to view tickets pending my approval

Acceptance test-driven development criteria (ATDD) (positive/negative)	Failed	Passed
Given I am logged in and have authority to view tickets When I view the pending tickets page Then I should only see tickets that I have authority to see/approve	*
